The individuals listed have confirmed that they are meeting the current Endorsement® requirements to be a qualified provider for the purpose of Endorsement®. Some providers are working toward the upcoming requirement changes, which apply as of December 2024. They have indicated their willingness to provide RSC to applicants for Endorsement® and to endorsees for renewal. Please contact the provider directly to coordinate attendance or for additional information. This directory of RSC providers is not exhaustive.

The individuals listed are independent providers and do not represent the Infant/Toddler Mental Health Coalition of Arizona in the provision of reflective supervision/consultation services. The Infant/Toddler Mental Health Coalition of Arizona cannot guarantee the accuracy, reliability, or completeness of supervision/consultation provided by these individuals.

*Current IFS and IMHS Providers have until December 2024 to become an Endorsed Reflective Supervisor (IFS-ERS or IMHS-ERS) OR an Infant Mental Health Mentor-Clinical (IMHM-C) to continue providing RSC for the purpose of Endorsement®.*
